OFFICE OF THE INSPECTOR GENERAL
CASE SUMMARY REPORT

I. AUTHORITY

The Florida Department of Corrections, Office of the Inspector General, by designation of the Secretary and § 944.31, Florida Statutes, is authorized to conduct any criminal investigation that occurs on property owned or leased by the department or involves matters over which the department has jurisdiction.

The testimony references included in this report are summations of oral or written statements provided to inspectors. Statements contained herein do not necessarily represent complete or certified transcribed testimony, except as noted. Unless specifically indicated otherwise, all interviews with witnesses, complainants, and subjects were audio or video recorded.

II. METHODOLOGY

The investigation reviewed the derivations of the allegation advanced by the complainant. The scope of this investigation does not seek to specifically address tort(s), but violations of criminal statutes. The criterion used to evaluate each contention or allegation was limited to the following standard of analysis:

1. Did the subject's action or behavior violate Florida criminal statutes?

III. ANALYSIS

The standard and analysis in this investigation is predicated with the burden of proving any violation of law, established by probable cause. The evidence considered for analysis is confined to the facts and allegations stated or reasonably implied. The actions or behavior of the subject are presumed to be lawful and in compliance with the applicable Florida law, unless probable cause indicates the contrary.
